Big Fundraising Ideas is a nationwide school fundraising company based in Corpus Christi Texas that has been helping groups raise money since 1999. It is our mission to help each group find and implement the best possible school fundraiser while providing unsurpassed customer service. We offer 2 ways for groups to raise money:

One option is to sell items out of a brochure. This way, groups can collect the money up front, then submit their order for processing. We offer a complete line of fall and spring seasonal shoppers, cookie dough, frozen food and specialty brochures like popcorn and flowers. We also provide a large selection of prize programs that can be tailored to the type of group.

A second option is to order the product and then sell it direct to consumers for a profit. We offer a variety of peanut-free candy bars, beef jerky products, pretzel rods, lollipops, popcorn, as well as customizable discount cards, scratch cards and custom school mugs. 4 convenient payment options are available, including submitting a purchase order, signing an agreement, paying by check or credit card.
