WE ARE PROUD TO SAY, OUR JEWELRY IS HANDMADE IN THE UNITED STATES!

Katie Waltman Jewelry was founded in Salt Lake City, Utah during the Spring of 2002. First inspired by her grandmother's bead collection, Katie began making pieces for herself. Since then, Katie's jewels have become highly sought-after treasures. Katie Waltman jewelry has been seen in People Style Watch, Elle Magazine, and Oprah.com and has a clientele that includes Molly Sims. She attributes her success to her passion for creativity and her love for all things beautiful.

A MUSICAL BACKGROUND

When Katie is not designing she is developing her talents as a violinist. She holds a bachelor's degree in violin performance from the University of Utah, as well as a master's degree in the same field from the University of California, Santa Barbara.

A FAMILY BUSINESS

In 2010, Katie partnered with her younger brother John. Though each possesses different strengths, the siblings share the same entrepreneurial spirit and passion for quality and creativity. Katie's designs have continued to grow in popularity and are now being discovered across the US and abroad. In addition to managing the operations of the business, John is pursuing a master's degree in business at the University of Utah.

BRICK AND MORTAR

In May of 2013 we opened our first retail location in Salt Lake City's 9th and 9th district that offers an amazing selection of women's clothing, jewelries and accessories.
