Hi there! We are **Madewell**. Great jeans are our thing — but we also work to perfect all the pieces you wear with them like soft tees, slouchy button-downs, have-forever totes, and boots that get better with age. Madewell's roots date back to 1937 and we're constantly taking inspiration from the brand's workwear beginnings. You will find these references in our design's details: Selvedge edges, hand distressing and monograms. Those are the things that make us "Madewell".

“MADEWELL IS FOR DENIM LOVERS—OR BASICALLY ANYONE WHO APPRECIATES TIMELESS DESIGNS THAT PUT YOU AT EASE.”

- JOYCE LEE, DESIGNER
