Established in 2004, **Onlineformals.com** has become a trusted e-commerce leader in the special occasion industry. Specializing in Prom, Pageant, and Social Occasion attire, we also offer the latest styles in formal shoes and accessories.

In 2014, we opened our Virginia Beach showroom to bring the hottest formal wear fashion trends to the Hampton Roads area for Prom, Ring Dance, Military Balls and other formal events. Our original "by-appointment-only" concept allows us to provide a personal shopping experience to our customers that they will not receive elsewhere in the area.

Our personal relationships with the most respected garment manufacturers in the business enable us to bring you the latest styles and trends at cost effective prices. With our improved website functionality and true brick & mortar unique store showroom, finding your dress will be easier than ever!

Whether you are shopping with us online or in person you can expect to receive an amazing gown and first class service!
