We live and breathe in the world of small business accounting and tax. You, on the other hand, should live in a world surrounded by your passions and what you are best at – your business! We provide small business owners the freedom to grow and manage their business, while we take care of the details in numbers and everything else that follows. In the end, we free up your time and deliver piece of mind.

Services

Sales & Use Tax Audit

Are you getting audited? The professionals at Prudent Accountants can put you at ease before, during or after an Audit. We offer expert advice and proven audit management experience to help you release the burden of an audit.

Taxes

Whether you're an individual or a small business, we've got you covered on your tax needs.

Accounting

Do what you love, let us handle the rest when it comes to numbers.

You can be as much or as little involved as you want. You tell us and we're sure to have a platform that fits your needs, and most importantly your budget.

Payroll

Pay the people that help you be successful everyday. They deserve it and so do you! Processing payroll can be a complicated and tedious task. Dread it no more! We'll provide you the tools to uncomplicate the task and make sure your employees get paid on time, every time. Oh, and we'll even help you file and pay all your Federal, State and local taxes.
