Tropical Smoothie Cafe's menu boasts bold, flavorful food and smoothies with a healthy appeal, all made to order from the freshest ingredients. We find that superior, simple ingredients including real fruit and veggies set our smoothies apart from the others.

And our toasted wraps, sandwiches, flatbreads and gourmet salads are made fresh with high quality meats and cheeses and topped with fresh produce and flavorful sauces.

Combine that with a fun atmosphere and unparalleled hospitality and you can see why people return again and again for the Tropical Smoothie Cafe experience.
